

We meet every Sunday morning at 10:30 am in the Woodfield Primary School off of [Woodfield Road](#)

Harrogate is surrounded by three major round-a-bouts that form a triangle. The major road in Harrogate is a through road to York and Wetherby in the East and South, and Ripon and Skipton in the North and West, called Skipton Road. Skipton Road runs from one round-a-bout to the other one and at the North end of Skipton road we have the A59 and the Ripon road intersecting at this round-a-bout and at the other end of Skipton Road we have the A661 leading to the York Road (which will also go to Bradford in the Southwest) and Wetherby in the South. Our Church meets on Woodfield Road which is right off of Skipton road BETWEEN THESE TWO ROUND-A-BOUNTS. If you understand this you cannot get lost because all you have to do is find someone, ask them how to get to Skipton Road, follow Skipton Road until you find Woodfield Road which is in the middle section of Skipton Road between the two major round-a-bouts.

**FROM THE SOUTH A1** - If you are coming to Harrogate from the South you can take the A1 till you see the signs to Harrogate. You will turn off of the A1 to go to Harrogate heading WEST (The A1 runs from North to South). The road name is the A59. Take this road until you come to a sign that says Harrogate A661 right (North) and Wetherby A661 left. When you come to this road take it all the way into Harrogate. You will eventually come to a large round-a-bout surrounded by the famous grass "Stray of Harrogate". Go straight through this round-a-bout. This road will be Skipton Road. You will eventually come on one set of traffic lights where a music store called "Rock steady" is located on the left of this intersection. Go through these lights. The next set of lights will be the junction of Kings Road and Woodfield Road. Turn Right on Woodfield Road. Just down this road you should begin to see a small sign on the grass outside the Woodfield Primary School. (You will know you have gone too far down Skipton Road and passed Woodfield Road if come to a round-a-bout where the A61 Ripon Road intersects with the A59 road towards Skipton. Turn around and follow the directions for "FROM THE WEST A59" and go back up Skipton Road.)

**FROM THE WEST A59** - Take the A59 straight into Harrogate until you get to a big round-a-bout (where the Ripon Road intersects with Skipton road). Go straight through the round-a-bout up Skipton Road. Look for the Esso petrol station on your left at the top of the incline as the road veers slightly to the right. Pass the petrol station and the pedestrian crossing and follow Skipton Road slightly to the right until you come to another set of lights and an intersection. The road in front of you on your left will be Woodfield Road. (You will know you have missed Woodfield Road if you come to a large grass area (called the "Stray") and reach a large round-a-bout. Go all the way around the round-a-bout back on Skipton Road and follow the directions "FROM THE SOUTH A1")

**FROM THE EAST A59** - Take the A59 until you reach the A1 junction. Go straight through the round-a-bout crossing above the A1 and then follow the signs to Harrogate. From there, please see the directions "FROM THE SOUTH A1" above.

**FROM THE NORTH RIPON ROAD A61** - Follow the Ripon road until you get to the round-a-bout where Skipton Road meets with the A59 (This is the first big round-a-bout you come to in Harrogate). Take the first left at this round-a-bout up Skipton Road. Follow instructions for "FROM THE WEST A59".

God bless you and we look forward to fellowship with you.
